LAMB GOES TO PEN

FIVE YEARS PUNISHMENT FOR SHOOTING UP FAMILY.

ARRESTED AT PARNELL

Family Objected to His Attentions to Girl and He Tried to Get Revenge by Shooting Up Home.

Harrison Lamb, who was going under the name of C. W. McCardue in Maryville and Hopkins, was sentenced to five years in the Iowa state penitentiary at Ft. Madison, Ia., by Judge Evans in court at Bedford on Monday. Lamb was to have stood trial, but when the case was called Monday morning at Bedford he pleaded guilty and was immediately sentenced.

There were four indictments returned by the grand jury against Lamb, three alleging assault with intent to kill E. T. Pierson, Stanley Pierson and Letha Pierson. The fourth indictment returned was for larceny, charging Lamb with stealing clothing, a gun and other articles of L. R. Daniels.

Lamb shot up the Pierson home, north of Hopkins, on Wednesday evening, December 11, and Stanley Pierson, a young man, was the only one that was seriously injured, and he recovered. Lamb was arrested that night at Parnell, where he had gone to take a train, and was brought to Maryville by Deputy Sheriff Evans and kept in the county jail here until the authorities at Bedford came after him. As the crime was committed in Taylor county, Ia., Lamb was taken there. He was going under the name of McCardue, but after a week in the jail at Bedford he said his name was Harrison Lamb.

Lamb was seeking revenge on the Pierson family as they objected to their daughter going with him, and had ordered him off the place a number of times.

HAD GOVERNOR'S DINING CAR.

Maryville Ladies Band Came Through to St. Louis Using Governor Major's Diner, While He Had to Take a "Handout."

All sorts of funny things happened to the Maryville Ladies band while on its way home from the inauguration ceremonies and suffragist parade at Washington, D. C.

But the best yet has just come to their knowledge in a letter that came Tuesday morning to the band director, Miss Alma Nash, from District Passenger Agent C. C. Custice of St. Louis, who informed her that the ladies band had the Missouri governor's dining car in their train all the way from Pittsburg to St. Louis, while Governor Major and his party were awakened from their slumbers for a hasty and very early breakfast at an Indianapolis eating station. The absence of the dining car had not been discovered until late in the journey.

Meanwhile the band girls were bemoaning the fact they had missed coming through on Governor Major's special, and they wondered and wondered at the beautiful diner at their disposal.

Their train was started an hour ahead of time out of Washington. Mr. Custice writes that every effort was made by his train to catch them, but it was delayed in starting out of Washington, and was an hour late at Baltimore and Harrisburg, and two hours late out of Pittsburg, making it impossible to catch up with the dining car traveling gaily along with the band girls.

TWO NEW REGENTS

APPOINTED TO THE NORTHWEST NORMAL BOARD TUESDAY.

TO TERM OF SIX YEARS

Wm. H. Haynes of St. Joseph and Leo M. Phipps of Grant City, Both Attorneys, Are New Members.

Governor Major appointed late Tuesday afternoon William H. Haynes of St. Joseph and Leo M. Phipps of Grant City as members of the board of regents of the Maryville Normal, Mr. Haynes to succeed O. P. Williams of Plattsburg and Mr. Phipps to succeed H. J. Hughes of Trenton. The terms of Williams and Hughes on the board expired on January 1, and the two new members to succeed them are Democrats. They are appointed for a term of six years.

Mr. Haynes is a well known attorney of St. Joseph and at one time represented Buchanan county in the legislature. Mr. Phipps is well known among the members of the bar in Maryville, as he is an attorney at Grant City and has tried cases in court in Maryville.

The board of regents will now be composed of four Democrats and three Republicans. It will also have four members who are lawyers. The other members of the board and the time their terms expire are: W. A. Blagg, Maryville, January, 1917; James B. O'Brien, formerly of St. Joseph, January, 1917; Wm. F. Rankin, Tarkio, January, 1915; W. G. Hine, Savannah, January, 1915. State Superintendent of Schools W. P. Evans is an ex-officio member of the board.

The annual meeting of the board will be held in Maryville the latter part of May, when the Normal faculty will be selected, and also other business matters will be taken up.

ASSESSED AT $8,000,000.

While the Census Report Placed the Value of the County at $50,000,000.

According to the census report, Nodaway county land is valued at $50,001,689, and the assessment is only $8,357,899, or 16.7 per cent of the value. There seems to be quite a disparity between the value of farm lands in the several counties of the states, as shown by the government census reports, and the value of the same lands as returned for the purpose of taxation.

HOLT TO FIFTH DISTRICT.

Governor Signed the Bill Which Reduces the Size of This Judicial Circuit.

The counties that will be in this judicial circuit now are Nodaway, Atchison, Worth and Gentry.

NEW SWITCHBOARD HERE.

Will Be Installed in Three Weeks and Then All Subscribers to Both Phones Will Get Connection With

The new switchboard for the Hanamo Telephone company was received this week and will be installed, commencing Monday. The switchboard came in two sections and has positions for six operators.

It will take three weeks to put the switchboard in, as the board is very complicated and has all of the latest and up-to-date improvements. It is a common battery board, and instead of ringing, as has been in the past, all that will be necessary is to life the receiver, doing away with wall phones. After the board is installed, then work will start to connect the Bell subscribers and also Hanamo subscribers on the new board, which will have places for 1,000 phones. It will take probably six weeks for this work.

The new desk phones and also wall phones, as all phones will be changed, will be here about April 1. It will require some time to make the change. It will be two months or so before merger company service will be running smoothly.

A WEEK OF SONG

PASSION WEEK SERVICES AT FIRST M. E. CHURCH.

TWO SUNDAYS INCLUDED

Soloists, Quartet and Choir Will Join With Minister in Reciting Story of Gethsemane and Cross.

The First M. E. church of this city will observe Passion Week, beginning next Sunday, March 16, and ending Easter Sunday, March 23. Services will be held each night during the week excepting Saturday.

The story of the Passion of our Saviour, its lessons in sermon and song, will be given by the pastor, Rev. Gilbert S. Cox, and the choir of that church. A finer and more appropriate selection of music would be difficult to find than has been arranged for the entire week by Rev. Cox and the choir, under the direction of P. O. Landon. The musical program alone for the entire week is a musical feast and consists of choruses, solos, duets and quartets from the best oratorios and cantatas that are entirely appropriated for the services.

Rev. Cox has prepared programs for the week, which we give in full, beginning with the following greeting from him:

As a nation we are asked to set aside certain days for reflection upon the fundamentals of Americanism. A day in honor of the birthday of liberty, a day celebrating the birthday anniversary of the father of our country, a day to give thanksgiving for national prosperity, a day in honor of labor. If these days are necessary for the highest patriotism, it is just as necessary to have special seasons of reflection upon the great fundamentals of Christianity. Passion week marks the most far-reaching achievements the world has ever witnessed. It is humanity's independence day, it marks the emancipation from physical, mental and spiritual slavery; it proclaims victory over man's last enemy.

It ought then to be a time of sober reflection upon the meaning and consequences of sin as we gaze upon the suffering Savior. A time of humble gratitude as we share in humanity's greatest triumph, the risen Christ. To help all those who wish to make the best of this sacred season we have arranged the following services:

Sunday, 10:45 A. M.

Subject of sermon, "The Power of the Cross."

Anthem, "Sanctus," by Gounod.

Solo, "The Penitent," by Van de Water—H. H. Mutz.

LOST FIVE HORSES.

C. D. Farnan of Clyde Has Big Loss From Animals Foundering on Wheat.

C. D. Farnan, living six miles southwest of Clyde, lost five horses Sunday and three more are in bad condition. The horses he lost were three work horses, a saddle horse and a colt, which he valued at $870.

Mr. Farnan has a large barn that he has been using as a granary and implement shed. He recently cleared out the granary and swept up the wheat from the floors, filling three barrels with the sweepings. Last week during the stormy weather eight horses and some hogs that were running in a pasture that the barn opened into came up to the barn and stood against it to get out of the storm. On Sunday morning as he noticed the horses were tramping the hogs, he slid the door of the barn wide enough for the hogs to pass into the barn.

After this he went to church with his family, and upon returning found that the horses had worked at the barn door until it was opened wide enough for them to get in, and where they at once began feasting on the wheat. One horse lay dead on the floor and four others died a short time later. The three horses that are still living are in bad condition, and it is feared that they will also die.

Mr. Farnan has had more than his share of loss, it seems, as only a short time ago he lost two horses from distemper.

NEWS ITEMS FROM VARIOUS DEPARTMENTS

Dress Goods and Silks

This is one of our departments that is receiving a big share of our business at the present time. The new fabrics that we have selected this spring in Dress Goods and Silks have met with great favor with the trade. We have this season, as usual, just the merchandise you will want—just the right materials that the new styles demand.

We show a beautiful line of Suitings in fancy mixtures for suits, coats and skirts ranging in price from 50c to $2.50 per yard. New and exclusive weaves modestly priced that are exclusive with us.

A beautiful line of light weight Serges in all the new shades, ranging in price from 50c to $2.00 a yard. Navy blue Serges $2.50 and $3.00 a yard in the men tailored suitings.

Silk and wool Poplins are very strong this season for dresses, and we have two very fine grades 40 inches wide at $1.25 a yard, and one 44 inches wide at $1.50 per yard. Just the right material for the new styles.

Silks

We know that every woman is interested in Foulards for spring and summer dresses. When you think of Foulards you must think of Cheny Bros. Shower-Proof Foulards, as this is the only reliable Shower-Proof Foulard on the market. We have bought liberally of the new patterns this season and we are sure you can find just the pattern you like among our showing. In two grades, 50c and 85c.

Another cloth we want you to know about is Skinner's 36 inch all silk Peau De Cygne. Ask to see No. 404. This is a pure dye silk, and just the right weight for dresses, waists, silk coats and skirts. Comes in all shades at $1.50 a yard.

Another special value is our 36 inch all Silk Poplin, only in black, at $2.00. Very desirable for separate coats and dresses.

Silk Serges are very popular this spring. We show a very handsome cloth at $1.00 a yard, 26 inches. Nothing more serviceable for wear.

Floor Coverings

This is another department that has been a busy center in our store the past week. Our private patterns in Rugs and Linoleums is a decided inducement for you to select your floor coverings from us, as you will not see other patterns like them every place you go. These private patterns cost you no more than the ordinary kind, and the satisfaction of having something different will appeal to you.

In Rugs, only the best makes are represented. It does not pay to buy cheap floor coverings. If you buy a Smith-Hartford or Bigelow Rug you know you have the best that money can buy. We select only the neat designs and let the gaudy ones go by.

We want to call your attention to our private patterns in Kirman (SEAMLESS) Axminster Rugs—the only seamless Axminster Rug on the market in a 9x12 size. Our price on these is $25.00.

We have a wool Rug this season in size 9x12 for $10.00, the best value you ever saw. We will make a special price on these the balance of the week of $8.98.

IN LINOLEUMS we carry only Blabons' in printed and inlaid goods. We have found this make the best by test. They make the most desirable patterns, as well as the best quality. This make will not dry out and get hard on the floor, and it will not curl up and break after it is laid. We have five good patterns to show you this season in the 16-4 as well as other patterns in the 8-4, and you will find no trouble in selecting a pattern here that will please you.

When you buy do not forget the

EVERSOLE QUALITY.

Women who have hard wood floors to keep clean make a mistake if they do not buy a DAVIS SELF OILING MOP. This Mop is the only self oiling Mop on the market, and this is a feature that makes this Mop superior to all other mops, and it costs no more to get this feature. This Mop is the greatest labor saver a woman can have in the home. It cleans and polishes hard wood floors and the dirt sticks to the mop—it does not fly all over the room and cause you to do your dusting twice. Buy the best when you buy.

Trefousse Gloves

Are sold in Maryville by us, and we believe they represent the high quality mark in Ladies' Kid Gloves. We find that the best stores everywhere cardy this glove. This is a French glove and a perfect fitting glove. We carry these only in the overseam for spring—just the right weight for warm weather wear. If you will choose

TREFOUSSE QUALITY

For your Easter gloves, you are sure of having the best that money can buy.

2-clasp DOROTHY at $1.50.
16-button DOROTHY at $3.50.

If you do not want to pay over $1.00 a pair for your gloves ask for our ORMOND. This glove comes in all shades and is the best glove we are able to buy to sell for $1.00. This glove is a lambskin glove, and we find that it is as good as some $1.50 gloves we have seen. We assure you satisfaction in this glove.

C-B Corsets

For the women of fashion. No part of a woman's dress is more important than her corset. What matters the fineness of her gown, if it be not a good fit? And how can it be a good fit unless its wearer has the right kind of a corset.

Of corsets there are none better than the C. B. We recommend this corset because of their superior quality—and because they give absolute satisfaction. They are comfortable from the very first, and retain their shape until ready to discard them. Prices from $1.00 up.

New Silk Gloves

For Easter wear. The two makes that we sell, the Gloversville and the Kayser, are the best that money can buy. Several lengths and grades to select from.

Short Gloves at 50c up to $1.00.
16-buttton lengths at $1.00 and $1.50.

New Blazers

In blue and bright red, in age 10 to 16, at $4.25 and $5.00. A very practical garment for the miss for spring wear. Entirely new—we just received them. Some are plain and some trimmed with black and white plaid collars.

In the Ready to Wear Department

New Coats and Dresses are arriving daily. Mr. Eversole is still in New York buying for this department. You can depend on getting the newest styles from us, as we go to New York late so that we may get the correct designed garments. We do not buy our Ready-to-Wear goods six months ahead of the season and take a chance of having what is right. What they are wearing in New York we have here.

We are constantly enlarging this department. Our line of Childs', Misses and Ladies' Wash Dresses this season is twice as large as last season, and the prices range from 50c to $3.50.—very modestly priced and well made. We received some Wool Dresses this morning at $10.00, $13.50 and up to $20.00 that are beautiful. New Petticoats are also here. We want every lady in Maryville to buy a KLOSFIT Petticoat from us. Well dressed women everywhere are wearing this petticoat in preference to all others. The elastic gussett over the hips eliminates the fullness and the patent fasteners make the placket secure and flat. We offer this petticoat to our trade as the best that we can buy.

Ladies House Dresses

Fine made garments, at 85c and $1.00. These garments are made from good material and the workmanship is good. Two or three styles to select from in desirable patterns. Other House Dresses in the Mendels make at $1.25 and $1.50.

Tailored Waists

For this season of the year are just the right weight. Buy the ROYAL Waists from us and get satisfaction. These waists are made from the best materials—the best workmanship goes into them, and the styles are better than in other waists. We cannot speak too highly of ROYAL Waists, as they stand for perfection in waist making.

MRS. HOWARD WAGNER

Writes Personal Letter to Her Druggist About a Bad Cough.

Mrs. Howard Wagner of Milton, Pa., writes her druggist as follows: "For two months I suffered from a bad cold, from which I could get no relief, then I began to cough and would cough until midnight every night. I consulted a doctor and took two kinds of medicine, but without benefit. One day seeing Vinol, your cod liver and iron medicine, advertised in my paper, I sent for a bottle. After taking it the second day I did not cough so much and felt stronger, and at the end of a week I could go to bed and sleep without coughing once. I have now taken in all six bottles, and I never felt better in my life. I have a fine appetite and have gained twelve pounds. As Vinol has helped me so much I want others to know about it."

The curative and strengthening properties of Vinol built up Mrs. Wagner's health and her cough disappeared as a natural result.

We guarantee that Vinol will do all we claim and will pay back your money if Vinol does not satisfy you. Orear-Henry Drug Co., Maryville, Mo. —Advertisement.

A GENEROUS OFFER.

Your Money Refunded if Parisian Sage Doesn't Banish Dandruff.

Pretty strong talk, perhaps you'll say, but it's honest talk, every word of it, because if the Koch Pharmacy was not absolutely certain! if they did not know from actual results obtained they could not make such a generous offer.

Parisian Sage can now be obtained in every town in America. It is guaranteed to stop falling hair and itching scalp.

It is the ideal, delightful, rejuvenating hair dressing that makes hair grow in abundance. Parisian Sage is a prime favorite with women, because it keeps the hair brilliant and fascinating, is daintily perfumed, and is not sticky or greasy.

The price for a large bottle is only 50 cents at the Koch Pharmacy, who guarantees it. Sold everywhere, or direct, all charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y.—Advertisement.

Mrs. Lulu Brooks of Graham, who has had charge of the Graham telephone central office for several years, will go to Joplin in about two weeks for an extended visit. Her place at the telephone central has been taken by Mrs. E. G. Hilsabeck.

Cold in Head Goes Overnight.

Don't try to break up that bad cold with dangerous stomach disturbing drugs. Get directly to the inflamed membrane by breathing Booth's HYOMEI (pronounce it High-o-me). Get a bottle for 50 cents at the Orear-Henry Drug Co., and try the safe treatment that thousands are using.

Into a bowl of boiling water pour a scant teaspoonful of HYOMEI, cover head and bowl with a towel, and breathe deep into the lungs the healing vapor that arises.

Breathe this vapor for five or ten minutes until the head feels fine and clear, then go to bed and sleep soundly until morning. No cocaine or opium or harmful drugs in Booth's HYOMEI. It is made of Australian Eucalyptus and other antiseptics. It is guaranteed to end Colds and Catarrh or money back. Just breathe it—no stomach dosing.—Advertisement.

Owen Conn Confesses to More Than Hundred Robberies.

SAYS WOMAN STARTED HIM.

Her Arrest is Expected Soon in an Eastern City—Plunder Found in Wounded Robber's Effects Valued at Thirty Thousand Dollars.

San Francisco, March 12.—Owen Conn, the Chicago burglar who posed by daylight in the lobbies of fashionable hotels as a capitalist, and made a specialty of robbing vacant apartments and houses at night, did not work single-handed; his partner was a young woman, who carried an automatic pistol, and went out with him on his jobs. This information was given out by the chief of police, following the discovery of Conn's identity last night, when he confessed to more than 100 robberies in Chicago, San Francisco and Los Angeles.

Early last month the woman deserted Conn, taking with her between $30,000 and $50,000 worth of jewelry—half their loot. Her arrest is expected soon in an eastern city.

In Conn's confession he said he had been led into crime by the former wife of a Chicago pastor, who took advantage of his infatuation for her to squeeze money from him.

"She started me in robbing flats," said Conn. "In one or two jobs she helped me. Then she wanted me to hold up a man. I refused and she got a younger to do it. Then she ran away with him and I came to the Pacific coast."

Mrs. Charles Strawn went to Hopkins Tuesday to visit her sister, Mrs. Charles Butler.

STOMACH GONE BAD SOUR, GASSY, UPSET?

When "Pape's Diapepsin" Gets in Stomach All Indigestion Goes.

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain remedy in the whole world, and beside it is harmless.

Millions of men and women now eat their favorite foods without fear—they know now it is needless to have a bad stomach.

Please, for your sake, get a large fifty-cent case of Pape's Diapepsin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Diapepsin belongs in your home anyway. It should be kept handy, should one of the family eat something which doesn't agree with them or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night it is there to give the quickest, surest relief known.—Advertisement.

FIRST DOOR NORTH OF NODAWAY VALLEY BANK

"Mutt and Jeff."

"Laugh and the world laughs with you; weep and you'll gather no moss." The above expression was inspired by the actions of a happy tramp who had emerged from the gallery entrance of the Manhattan opera house, New York, one night during the engagement of "Mutt and Jeff" at that theater. "Weary Willie" was singing at the top of his voice some air he had heard in the show, and at the corner of Thirty-fourth street and Eighth avenue he attempted to do a "jig," in which, however, he was no adept. Quite a crowd had collected and a vigilant "cop" strolled up and inquired: "What's wrong, Willie; why so happy?" Willie answered, "I'm drunk, broke and I haven't a friend in the world, but crying don't get you anything." Many a wiser man can profit by Willie's advice. Do as he did—see "Mutt and Jeff" and laugh off that "grouch," for if you don't it may grow in and "do you." The entire outfit of funmakers will be at the Empire this evening.

SEE IF YOUR CHILD'S TONGUE IS COATED.

If Cross, Feverish, Bilious Give Delicious "Syrup of Figs" to Cleanse It's Little Bowels.

Look at the tongue, Mother! If coated, it is a sure sign that your little one's insides, the stomach, liver and thirty feet of bowels are clogged up with putrifying waste matter and need a gentle, thorough cleansing at once.

When your child is listless, drooping, pale, doesn't sleep soundly or eat heartily or is cross, irritable, feverish, stomach sour, breath bad; has stomach ache, diarrhoea, sore throat, or is full of cold, give a teaspoonful of Syrup of Figs, and in a few hours all the foul, constipated waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you surely will have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed. A little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advertisement.

LAMB GOES TO PEN

FIVE YEARS PUNISHMENT FOR SHOOTING UP FAMILY.

ARRESTED AT PARNELL

Family Objected to His Attentions to Girl and He Tried to Get Revenge by Shooting Up Home.

Harrison Lamb, who was going under the name of C. W. McCardue in Maryville and Hopkins, was sentenced to five years in the Iowa state penitentiary at Ft. Madison, Ia., by Judge Gary at Ft. Madison, Ia., by Judge Evans in court at Bedford on Monday. Lamb was to have stood trial, but when the case was called Monday morning at Bedford he pleaded guilty and was immediately sentenced.

There were four indictments returned by the grand jury against Lamb, three alleging assault with intent to kill E. T. Pierson, Stanley Pierson and Letha Pierson. The fourth indictment returned was for larceny, charging Lamb with stealing clothing, a gun and other articles of L. R. Daniels.

Lamb shot up the Pierson home, north of Hopkins, on Wednesday evening, December 11, and Stanley Pierson, a young man, was the only one that was seriously injured, and he recovered. Lamb was arrested that night at Parnell, where he had gone to take a train, and was brought to Maryville by Deputy Sheriff Evans and kept in the county jail here until the authorities at Bedford came after him. As the crime was committed in Taylor county, Ia., Lamb was taken there. He was going under the name of McCardue, but after a week in the jail at Bedford he said his name was Harrison Lamb.

Lamb was seeking revenge on the Pierson family as they objected to their daughter going with him, and had ordered him off the place a number of times.

HAD GOVERNOR'S DINING CAR.

Maryville Ladies Band Came Through to St. Louis Using Governor Major's Diner, While He Had to Take a "Handout."

All sorts of funny things happened to the Maryville Ladies band while on its way home from the inauguration ceremonies and suffragist parade at Washington, D. C.

But the best yet has just come to their knowledge in a letter that came Tuesday morning to the band director, Miss Alma Nash, from District Passenger Agent C. C. Custice of St. Louis, who informed her that the ladies band had the Missouri governor's dining car in their train all the way from Pittsburg to St. Louis, while Governor Major and his party were awakened from their slumbers for a hasty and very early breakfast at an Indianapolis eating station. The absence of the dining car had not been discovered until late in the journey.

Meanwhile the band girls were bemoaning the fact they had missed coming through on Governor Major's special, and they wondered and wondered at the beautiful diner at their disposal.

Their train was started an hour ahead of time out of Washington. Mr. Custice writes that every effort was made by his train to catch them, but it was delayed in starting out of Washington, and was an hour late at Baltimore and Harrisburg, and two hours late out of Pittsburg, making it impossible to catch up with the dining car traveling gaily along with the band girls.

TWO NEW REGENTS

APPOINTED TO THE NORTHWEST NORMAL BOARD TUESDAY.

TO TERM OF SIX YEARS

Wm. H. Haynes of St. Joseph and Leo M. Phipps of Grant City, Both Attorneys, Are New Members.

Governor Major appointed late Tuesday afternoon William H. Haynes of St. Joseph and Leo M. Phipps of Grant City as members of the board of regents of the Maryville Normal, Mr. Haynes to succeed O. P. Williams of Plattsburg and Mr. Phipps to succeed H. J. Hughes of Trenton. The terms of Williams and Hughes on the board expired on January 1, and the two new members to succeed them are Democrats. They are appointed for a term of six years.

Mr. Haynes is a well known attorney of St. Joseph and at one time represented Buchanan county in the legislature. Mr. Phipps is well known among the members of the bar in Maryville, as he is an attorney at Grant City and has tried cases in court in Maryville.

The board of regents will now be composed of four Democrats and three Republicans. It will also have four members who are lawyers. The other members of the board and the time their terms expire are: W. A. Blagg, Maryville, January, 1917; James B. O'Brien, formerly of St. Joseph, January, 1917; Wm. F. Rankin, Tarkio, January, 1915; W. G. Hine, Savannah, January, 1915. State Superintendent of Schools W. P. Evans is an ex-officio member of the board.

The annual meeting of the board will be held in Maryville the latter part of May, when the Normal faculty will be selected, and also other business matters will be taken up.

ASSESSED AT $8,000,000.

While the Census Report Placed the Value of the County at $50,000,000.

According to the census report, Nodaway county land is valued at $50,001,689, and the assessment is only $8,357,899, or 16.7 per cent of the value. There seems to be quite a disparity between the value of farm lands in the several counties of the states, as shown by the government census reports, and the value of the same lands as returned for the purpose of taxation.

HOLT TO FIFTH DISTRICT.

The counties that will be in this judicial circuit now are Nodaway, Atchison, Worth and Gentry.

NEW SWITCHBOARD HERE.

Will Be Installed in Three Weeks and Then All Subscribers to Both Phones Will Get Connection With

The new switchboard for the Hanamo Telephone company was received this week and will be installed, commencing Monday. The switchboard came in two sections and has positions for six operators.

It will take three weeks to put the switchboard in, as the board is very complicated and has all of the latest and up-to-date improvements. It is a common battery board, and instead of ringing, as has been in the past, all that will be necessary is to life the receiver, doing away with wall phones. After the board is installed, then work will start to connect the Bell subscribers and also Hanamo subscribers on the new board, which will have places for 1,000 phones. It will take probably six weeks for this work.

The new desk phones and also wall phones, as all phones will be changed, will be here about April 1. It will require some time to make the change. It will be two months or so before merger company service will be running smoothly.

A WEEK OF SONG

PASSION WEEK SERVICES AT FIRST M. E. CHURCH.

TWO SUNDAYS INCLUDED

Soloists, Quartet and Choir Will Join With Minister in Reciting Story of Gethsemane and Cross.

The First M. E. church of this city will observe Passion Week, beginning next Sunday, March 16, and ending Easter Sunday, March 23. Services will be held each night during the week excepting Saturday.

The story of the Passion of our Saviour, its lessons in sermon and song, will be given by the pastor, Rev. Gilbert S. Cox, and the choir of that church. A finer and more appropriate selection of music would be difficult to find than has been arranged for the entire week by Rev. Cox and the choir, under the direction of P. O. Landon. The musical program alone for the entire week is a musical feast and consists of choruses, solos, duets and quartets from the best oratorios and cantatas that are entirely appropriated for the services.

Rev. Cox has prepared programs for the week, which we give in full, beginning with the following greeting from him:

As a nation we are asked to set aside certain days for reflection upon the fundamentals of Americanism. A day in honor of the birthday of liberty, a day celebrating the birthday anniversary of the father of our country, a day to give thanksgiving for national prosperity, a day in honor of labor. If these days are necessary for the highest patriotism, it is just as necessary to have special seasons of reflection upon the great fundamentals of Christianity. Passion week marks the most far-reaching achievements the world has ever witnessed. It is humanity's independence day, it marks the emancipation from physical, mental and spiritual slavery; it proclaims victory over man's last enemy.

It ought then to be a time of sober reflection upon the meaning and consequences of sin as we gaze upon the suffering Savior. A time of humble gratitude as we share in humanity's greatest triumph, the risen Christ. To help all those who wish to make the best of this sacred season we have arranged the following services:

Sunday, 10:45 A. M.

Subject of sermon, "The Power of the Cross."

Anthem, "Sanctus," by Gounod.

Solo, "The Penitent," by Van de Water—H. H. Mutz.

LOST FIVE HORSES.

C. D. Farnan of Clyde Has Big Loss From Animals Foundering on Wheat.

C. D. Farnan, living six miles southwest of Clyde, lost five horses Sunday and three more are in bad condition. The horses he lost were three work horses, a saddle horse and a colt, which he valued at $870.

Mr. Farnan has a large barn that he has been using as a granary and implement shed. He recently cleared out the granary and swept up the wheat from the floors, filling three barrels with the sweepings. Last week during the stormy weather eight horses and some hogs that were running in a pasture that the barn opened into came up to the barn and stood against it to get out of the storm. On Sunday morning as he noticed the horses were tramping the hogs, he slid the door of the barn wide enough for the hogs to pass into the barn.

After this he went to church with his family, and upon returning found that the horses had worked at the barn door until it was opened wide enough for them to get in, and where they at once began feasting on the wheat. One horse lay dead on the floor and four others died a short time later. The three horses that are still living are in bad condition, and it is feared that they will also die.

Mr. Farnan has had more than his share of loss, it seems, as only a short time ago he lost two horses from distemper.

NEWS ITEMS FROM VARIOUS DEPARTMENTS

Dress Goods and Silks

This is one of our departments that is receiving a big share of our business at the present time. The new fabrics that we have selected this spring in Dress Goods and Silks have met with great favor with the trade. We have this season, as usual, just the merchandise you will want—just the right materials that the new styles demand.

We show a beautiful line of Suitings in fancy mixtures for suits, coats and skirts ranging in price from 50c to $2.50 per yard. New and exclusive weaves modestly priced that are exclusive with us.

A beautiful line of light weight Serges in all the new shades, ranging in price from 50c to $2.00 a yard. Navy blue Serges $2.50 and $3.00 a yard in the men tailored suitings.

Silk and wool Poplins are very strong this season for dresses, and we have two very fine grades 40 inches wide at $1.25 a yard, and one 44 inches wide at $1.50 per yard. Just the right material for the new styles.

Silks

We know that every woman is interested in Foulards for spring and summer dresses. When you think of Foulards you must think of Cheny Bros. Shower-Proof Foulards, as this is the only reliable Shower-Proof Foulard on the market. We have bought liberally of the new patterns this season and we are sure you can find just the pattern you like among our showing. In two grades, 50c and 85c.

Another cloth we want you to know about is Skinner's 36 inch all silk Peau De Cygne. Ask to see No. 404. This is a pure dye silk, and just the right weight for dresses, waists, silk coats and skirts. Comes in all shades at $1.50 a yard.

Another special value is our 36 inch all Silk Poplin, only in black, at $2.00. Very desirable for separate coats and dresses.

Silk Serges are very popular this spring. We show a very handsome cloth at $1.00 a yard, 26 inches. Nothing more serviceable for wear.

Floor Coverings

This is another department that has been a busy center in our store the past week. Our private patterns in Rugs and Linoleums is a decided inducement for you to select your floor coverings from us, as you will not see other patterns like them every place you go. These private patterns cost you no more than the ordinary kind, and the satisfaction of having something different will appeal to you.

In Rugs, only the best makes are represented. It does not pay to buy cheap floor coverings. If you buy a Smith-Hartford or Bigelow Rug you know you have the best that money can buy. We select only the neat designs and let the gaudy ones go by.

We want to call your attention to our private patterns in Kirman (SEAMLESS) Axminster Rugs—the only seamless Axminster Rug on the market in a 9x12 size. Our price on these is $25.00.

We have a wool Rug this season in size 9x12 for $10.00, the best value you ever saw. We will make a special price on these the balance of the week of $8.98.

IN LINOLEUMS we carry only Blabons' in printed and inlaid goods. We have found this make the best by test. They make the most desirable patterns, as well as the best quality. This make will not dry out and get hard on the floor, and it will not curl up and break after it is laid. We have five good patterns to show you this season in the 16-4 as well as other patterns in the 8-4, and you will find no trouble in selecting a pattern here that will please you.

When you buy do not forget the
EVERSOLE QUALITY.

Women who have hard wood floors to keep clean make a mistake if they do not buy a DAVIS SELF OILING MOP. This Mop is the only self oiling Mop on the market, and this is a feature that makes this Mop superior to all other mops, and it costs no more to get this feature. This Mop is the greatest labor saver a woman can have in the home. It cleans and polishes hard wood floors and the dirt sticks to the mop—it does not fly all over the room and cause you to do your dusting twice. Buy the best when you buy.

Trefousse Gloves

Are sold in Maryville by us, and we believe they represent the high quality mark in Ladies' Kid Gloves. We find that the best stores everywhere cardy this glove. This is a French glove and a perfect fitting glove. We carry these only in the overseam for spring—just the right weight for warm weather wear. If you will choose

TREFOUSSE QUALITY

For your Easter gloves, you are sure of having the best that money can buy.
2-clasp DOROTHY at $1.50.
16-button DOROTHY at $3.50.
If you do not want to pay over $1.00 a pair for your gloves ask for our ORMOND. This glove comes in all shades and is the best glove we are able to buy to sell for $1.00. This glove is a lambskin glove, and we find that it is as good as some $1.50 gloves we have seen. We assure you satisfaction in this glove.

C-B Corsets

For the women of fashion. No part of a woman's dress is more important than her corset. What matters the fineness of her gown, if it be not a good fit? And how can it be a good fit unless its wearer has the right kind of a corset.

Of corsets there are none better than the C. B. We recommend this corset because of their superior quality—and because they give absolute satisfaction. They are comfortable from the very first, and retain their shape until ready to discard them. Prices from $1.00 up.

New Silk Gloves

For Easter wear. The two makes that we sell, the Gloversville and the Kayser, are the best that money can buy. Several lengths and grades to select from.
Short Gloves at 50c up to $1.00.
16-buttton lengths at $1.00 and $1.50.

New Blazers

In blue and bright red, in age 10 to 16, at $4.25 and $5.00. A very practical garment for the miss for spring wear. Entirely new—we just received them. Some are plain and some trimmed with black and white plaid collars.

In the Ready to Wear Department

New Coats and Dresses are arriving daily. Mr. Eversole is still in New York buying for this department. You can depend on getting the newest styles from us, as we go to New York late so that we may get the correct designed garments. We do not buy our Ready-to-Wear goods six months ahead of the season and take a chance of having what is right. What they are wearing in New York we have here.

We are constantly enlarging this department. Our line of Childs', Misses and Ladies' Wash Dresses this season is twice as large as last season, and the prices range from 50c to $3.50.—very modestly priced and well made. We received some Wool Dresses this morning at $10.00, $13.50 and up to $20.00 that are beautiful. New Petticoats are also here. We want every lady in Maryville to buy a KLOSFIT Petticoat from us. Well dressed women everywhere are wearing this petticoat in preference to all others. The elastic gussett over the hips eliminates the fullness and the patent fasteners make the placket secure and flat. We offer this petticoat to our trade as the best that we can buy.

Ladies House Dresses

Fine made garments, at 85c and $1.00. These garments are made from good material and the workmanship is good. Two or three styles to select from in desirable patterns. Other House Dresses in the Mendels make at $1.25 and $1.50.

Tailored Waists

For this season of the year are just the right weight. Buy the ROYAL Waists from us and get satisfaction. These waists are made from the best materials—the best workmanship goes into them, and the styles are better than in other waists. We cannot speak too highly of ROYAL Waists, as they stand for perfection in waist making.

MRS. HOWARD WAGNER

Writes Personal Letter to Her Druggist About a Bad Cough.

Mrs. Howard Wagner of Milton, Pa., writes her druggist as follows: "For two months I suffered from a bad cold, from which I could get no relief, then I began to cough and would cough until midnight every night. I consulted a doctor and took two kinds of medicine, but without benefit. One day seeing Vinol, your cod liver and iron medicine, advertised in my paper, I sent for a bottle. After taking it the second day I did not cough so much and felt stronger, and at the end of a week I could go to bed and sleep without coughing once. I have now taken in all six bottles, and I never felt better in my life. I have a fine appetite and have gained twelve pounds. As Vinol has helped me so much I want others to know about it."

The curative and strengthening properties of Vinol built up Mrs. Wagner's health and her cough disappeared as a natural result.

We guarantee that Vinol will do all we claim and will pay back your money if Vinol does not satisfy you. Orear-Henry Drug Co., Maryville, Mo. —Advertisement.

A GENEROUS OFFER.

Your Money Refunded if Parisian Sage Doesn't Banish Dandruff.

Pretty strong talk, perhaps you'll say, but it's honest talk, every word of it, because if the Koch Pharmacy was not absolutely certain! if they did not know from actual results obtained they could not make such a generous offer.

Parisian Sage can now be obtained in every town in America. It is guaranteed to stop falling hair and itching scalp.

It is the ideal, delightful, rejuvenating hair dressing that makes hair grow in abundance. Parisian Sage is a prime favorite with women, because it keeps the hair brilliant and fascinating, is daintily perfumed, and is not sticky or greasy.

The price for a large bottle is only 50 cents at the Koch Pharmacy, who guarantees it. Sold everywhere, or direct, all charges prepaid, by the American makers, Giroux Mfg. Co., Buffalo, N. Y.—Advertisement.

Mrs. Lulu Brooks of Graham, who has had charge of the Graham telephone central office for several years, will go to Joplin in about two weeks for an extended visit. Her place at the telephone central has been taken by Mrs. E. G. Hilsabeck.

Cold in Head Goes Overnight.

Don't try to break up that bad cold with dangerous stomach disturbing drugs. Get directly to the inflamed membrane by breathing Booth's HYOMEI (pronounce it High-o-me). Get a bottle for 50 cents at the Orear-Henry Drug Co., and try the safe treatment that thousands are using.

Into a bowl of boiling water pour a scant teaspoonful of HYOMEI, cover head and bowl with a towel, and breathe deep into the lungs the healing vapor that arises.

Breathe this vapor for five or ten minutes until the head feels fine and clear, then go to bed and sleep soundly until morning. No cocaine or opium or harmful drugs in Booth's HYOMEI. It is made of Australian Eucalyptus and other antiseptics. It is guaranteed to end Colds and Catarrh or money back. Just breathe it—no stomach dosing.—Advertisement.

Owen Conn Confesses to More Than Hundred Robberies.

SAYS WOMAN STARTED HIM.

Her Arrest is Expected Soon in an Eastern City—Plunder Found in Wounded Robber's Effects Valued at Thirty Thousand Dollars.

San Francisco, March 12.—Owen Conn, the Chicago burglar who posed by daylight in the lobbies of fashionable hotels as a capitalist, and made a specialty of robbing vacant apartments and houses at night, did not work single-handed; his partner was a young woman, who carried an automatic pistol, and went out with him on his jobs. This information was given out by the chief of police, following the discovery of Conn's identity last night, when he confessed to more than 100 robberies in Chicago, San Francisco and Los Angeles.

Early last month the woman deserted Conn, taking with her between $30,000 and $50,000 worth of jewelry—half their loot. Her arrest is expected soon in an eastern city.

In Conn's confession he said he had been led into crime by the former wife of a Chicago pastor, who took advantage of his infatuation for her to squeeze money from him.

"She started me in robbing flats," said Conn. "In one or two jobs she helped me. Then she wanted me to hold up a man. I refused and she got a younger to do it. Then she ran away with him and I came to the Pacific coast."

Mrs. Charles Strawn went to Hopkins Tuesday to visit her sister, Mrs. Charles Butler.

STOMACH GONE BAD SOUR, GASSY, UPSET?

When "Pape's Diapepsin" Gets in Stomach All Indigestion Goes.

Time it! In five minutes all stomach distress will go. No indigestion, heartburn, sourness or belching of gas, acid, or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest and most certain remedy in the whole world, and beside it is harmless.

Millions of men and women now eat their favorite foods without fear—they know now it is needless to have a bad stomach.

Please, for your sake, get a large fifty-cent case of Pape's Diapepsin from any drug store and put your stomach right. Don't keep on being miserable—life is too short—you are not here long, so make your stay agreeable. Eat what you like and digest it; enjoy it, without dread of rebellion in the stomach.

Diapepsin belongs in your home anyway. It should be kept handy, should one of the family eat something which doesn't agree with them or in case of an attack of indigestion, dyspepsia, gastritis or stomach derangement at daytime or during the night it is there to give the quickest, surest relief known.—Advertisement.

FIRST DOOR NORTH OF NODAWAY VALLEY BANK

"Mutt and Jeff."

"Laugh and the world laughs with you; weep and you'll gather no moss." The above expression was inspired by the actions of a happy tramp who had emerged from the gallery entrance of the Manhattan opera house, New York, one night during the engagement of "Mutt and Jeff" at that theater. "Weary Willie" was singing at the top of his voice some air he had heard in the show, and at the corner of Thirty-fourth street and Eighth avenue he attempted to do a "jig," in which, however, he was no adept. Quite a crowd had collected and a vigilant "cop" strolled up and inquired: "What's wrong, Willie; why so happy?" Willie answered, "I'm drunk, broke and I haven't a friend in the world, but crying don't get you anything." Many a wiser man can profit by Willie's advice. Do as he did—see "Mutt and Jeff" and laugh off that "grouch," for if you don't it may grow in and "do you." The entire outfit of funmakers will be at the Empire this evening.

SEE IF YOUR CHILD'S TONGUE IS COATED.

If Cross, Feverish, Bilious Give Delicious "Syrup of Figs" to Cleanse It's Little Bowels.

Look at the tongue, Mother! If coated, it is a sure sign that your little one's insides, the stomach, liver and thirty feet of bowels are clogged up with putrifying waste matter and need a gentle, thorough cleansing at once.

When your child is listless, drooping, pale, doesn't sleep soundly or eat heartily or is cross, irritable, feverish, stomach sour, breath bad; has stomach ache, diarrhoea, sore throat, or is full of cold, give a teaspoonful of Syrup of Figs, and in a few hours all the foul, constipated waste, undigested food and sour bile will gently move on and out of its little bowels without nausea, griping or weakness, and you surely will have a well, happy and smiling child again shortly.

With Syrup of Figs you are not drugging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful, besides they dearly love its delicious taste.

Mothers should always keep Syrup of Figs handy. It is the only stomach, liver and bowel cleanser and regulator needed. A little given today will save a sick child tomorrow.

Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.—Advertisement.

Causes Much Disease

Advice about Stomach Troubles and how to relieve them.

Don't neglect indigestion, for it may lead to all sorts of ills and complications. An eminent physician once said that ninety-five per cent of all ills have their origin in a disordered stomach.

Our experience with Rexall Dyspepsia Tablets leads us to believe them to be one of the most dependable remedies known for indigestion and chronic dyspepsia. Their ingredients are soothing to the inflamed membranes of the stomach. Rich in Pepsin and Bismuth, two of the greatest digestive aids known to medicine, the relief they afford is very prompt. Used persistently and regularly for a short time, they tend to relieve pains caused by stomach disorders.

Rexall Dyspepsia Tablets help insure healthy appetite, aid digestion, and promote nutrition. As evidence of our faith in them, we ask you to try them at our risk. If they do not give entire satisfaction, we will return the money you paid us without question or formality. Three sizes, 25 cents, 50 cents and $1.00.

You can buy Rexall Dyspepsia Tablets in this community only at our store:
